New Orleans, LA 70130

We have audited the accompanying financial statements of Food Tank the Think Tank for Food (a nonprofit organization), which comprise the statements of financial position as of March 31, 2018, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Food Tank the Think Tank for Food as of March 31, 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS**

NOTE A- MISSION:

Food Tank the Think Tank for Food was founded in 2012 by Danielle Nierenberg, a sustainable agriculture expert, to repair our broken food system, by developing and promoting best practices in sustainable agriculture.

Food Tank the Think Tank for Food (FoodTank.org) is for the seven billion people who have to eat every day. Food Tank offers solutions and environmentally sustainable ways of alleviating hunger, obesity, and poverty by creating a network of connections and information for all to consume and share.

Food Tank focuses on hope and success in agriculture and continued development of innovations that are already working on the ground, in cities, in kitchens, in fields and in laboratories. These innovations need more attention, more research, and ultimately more funding to be replicated and scaled up.

Food Tank is for farmers and producers, policy makers and government leaders, researchers and scientists, academics and journalists, and the funding and donor communities to collaborate on providing sustainable solutions for our most pressing environmental and social problems.

Currently, Food Tank the Think Tank for Food has over 350,000 supporters and a robust network of interns and volunteers, all committed to sustaining and supporting Food Tank's mission.
